

Green Mobility Traineeship Application Checklist & Deadlines

- A completed Master's degree or an equivalent qualification in natural sciences, technology, or a related field must be obtained at the latest by the start of the program in October 2025.
- Fluency in English is required, German is beneficial.

Application

- The application period starts on **March 31st, 2025**, and ends either on **20th of April 2025** or until all **350** spots are taken.
- Make sure to upload all documents and to have finished the test as we will only consider applications that are completed on time.
- We are particularly interested in the specific actions you have taken related to sustainability. Please note that our primary target group consists of applicants with prior knowledge, whether from university, a thesis, or internships.

Pre-Selection

- By **May 2nd, 2025**, at the latest, you will receive an invitation for the teams interviews if you successfully passed the online test.
- From **May 12th to 16th, 2025**, teams interviews will take place.
- Preparation** for the 30-minutes pre-selection interview. For more details, please refer to the FAQ section on our website.

Selection

- On **May 23rd, 2025**, the final candidates will get the invitation to the applicant day.
- On **June 3rd and 4th, 2025**, your applicant day will take place. For more details, please refer to the FAQ section on our website.
- Latest on **June 6th, 2025**, the 5 candidates will have received the offer call. There will be a waiting list.
- Until **June 20th, 2025**, contracts will be issued to the selected trainees and need to be returned to us within one week.
- On **June 30th, 2025**, the waiting list candidates will get final feedback on their application and receive an offer if applicable.

Please ensure to **block the dates** for possible interviews and applicant day in your calendar as we unfortunately cannot offer alternative dates.
